

# UNACCOMPANIED BAGGAGE

Dear Shipper,

Please note the following points regarding the dispatch of Unaccompanied Baggage.

- A copy of your passport & airline ticket must accompany your goods. Some countries may require additional documentation. GSA Freight Logistics PTY LTD does not assume prior to knowledge.
- Unaccompanied Baggage is considered low priority by all airlines. This means your shipment will travel according to space and flight availability and can be held back or off-loaded at any port during the journey to its destination. Therefore, if your time is limited or if you need your luggage urgently, **DO NOT SEND** it as unaccompanied luggage as we are not responsible for any inconvenience caused by such delays.
- Cartage of your luggage is subject to international security regulations. GSA Freight Logistics PTY LTD acts only as an agent between you and the airline nominated to carry your luggage to its destination. Once we hand your luggage over to the airline involved, it is out of our control and supervision. Therefore no responsibility can be accepted by GSA Freight Logistics for any damage, theft or loss of your luggage.
- Your luggage is NOT automatically covered by any insurance. It is therefore necessary that you take any valuables with you on the flight and take out separate insurance on your Unaccompanied Baggage. You may wish to check with your travel insurance provider. **Insurance will not cover any valuable items, as your luggage must not contain items of this nature. A FULL LIST OF CONTENTS WITH NOMINATED VALES IS REQUIRED IF YOU WISH TO INSURE YOUR LUGGAGE.**
- As your unaccompanied baggage is traveling direct with an airline you must contact the nominated airline's cargo office or handling agent at your destination for retrieval of your luggage. You must quote the master airway bill (MAWB) number we advise you. It is found on the top left hand corner of the house airway bill (HAWB) you complete when you lodge your luggage with us **DO NOT** contact GSA Freight Logistics office otherwise specified.
- Your unaccompanied luggage is subject to customs clearance in the destination country. It will be held under customs control until **YOU** clear it through local customs. These procedures will be explained to you upon your arrival at your destination. It is your responsibility to assist the local authorities in clearing

the goods. Local customs regulations and requirements are beyond our control and prior knowledge is not assumed by GSA Freight Logistics PTY LTD.

- Every airport around the world has local charges such as terminal fees, Documentation charges, storage and handling fees, etc, regardless of what you paid when you lodged your luggage with us. Generally, airlines will allow you two days free storage from the date of arrival. Therefore it is in your interest to make contact with the airline/handling agent as soon as possible. Unclaimed luggage will be impounded or disposed by local customs authorities after a certain time.
- Any charges payable upon collection are set by those local authorities and are not related to the cartage charges you paid to GSA Freight Logistics PTY LTD and can not be estimated at the time of lodgment.

I have read & I am in agreement with the above mentioned statements.
